Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-019-09301-y>, published online 27 March 2019.

In the original version of this Article, the legend in the upper panel of Fig. 2 incorrectly read ‘paternal imprinting’ and should have read ‘maternal imprinting’. This has been corrected in both the PDF and HTML versions of the Article.
